### **Discussion Only –**

#### **1. Safety Committee – Mr. Tony Temple**

The safety committee met, draft minutes were forwarded to the full Board, several community members attended the meeting, the first meeting was mainly fact gathering. Keith has reached out to TCAPS to inquire what firm completed their safety assessment, the committee would like a non-biased assessment of the school properties, procedures and policies. The facilities director, building principals, teacher and support staff building representatives including preschool, coaches and a local deputy will be invited to future meetings. Tony would like a motion to continue the committee and look into hiring an entity for a safety assessment. The next safety committee meeting is scheduled for September 22, 2022 at 6pm in the HS library.

- **At this time, Mrs. Beth Lajko was called out of the meeting to attend to an emergency.**

#### **4. Schools of Choice – Dr. Keith Smith**

Ms. Heather Miller is not asking for an additional 5<sup>th</sup> grade teacher at this time however, she is requesting that we close the 5<sup>th</sup> grade schools of choice window.
