

Fourth Grade News

February 9, 2026

ELA

We will continue unit 5, Geology. Through reading we will be discussing the cause and effect of earthquakes and tsunamis. We will be using graphic organizers to paraphrase and explain how and where volcanoes, geysers, and hot springs are formed and what the differences are between dormant, extinct, and active volcanoes. Throughout this week, we will continue to practice the root word *-rupt*

Spelling Test : February 11th .

Math

We are beginning to work through our metric unit. We are focusing on metric measures of liquid volume, mass. You can help your child with measurement by letting them help you cook. Let them measure out ingredients for you. We finish off the week with some fun V-Day Themed Measurement Practice.

Monday- Lesson 4.10

Tuesday- 4.10

Wednesday-Lesson 4.11

Thursday- Quick Quiz 4.4 & Valentines Length Practice

Friday-No School

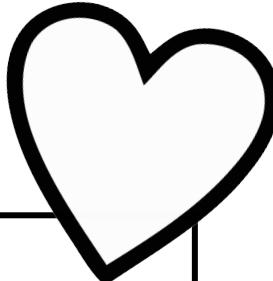

A decorative text graphic for Valentine's Day. It features the words "HAPPY Valentine's DAY" in a stylized, flowing font. The word "HAPPY" is in a smaller, sans-serif font above "Valentine's" and "DAY". There are small heart shapes and a small loop in the design.

SOCIAL STUDIES

This week we will wrap up our Regions: The Northeast unit by finishing our final lesson, reviewing as a class and taking our assessment this Wednesday, February 11th. Please be sure to encourage those final study sessions before the assessment!
