- Each student has their own Xello account to explore career options. This is a recommended tool for creating your own Educational Development Plan (EDP) required by the state of Michigan.
- You can access your Xello account from your Kingsley School Google Account. It is the last icon under the waffle (3x3 grid) or from your classlink bookmark.
- 11th grade EDP's should already have Career Matchmaker Results and Saved Career Interests. Please add or update if yours have changed.
- 11th grade EDP's should include courses already completed and a plan for current and future courses up to graduation. Please add or update if yours have changed.
- 11th grade EDP's should include post-secondary research and goal setting. Please take time to do this now.
- 11th grade EDP's must begin the creation of a Resume and Talent Portfolio. Please begin this work.
