

Fourth Grade News

ELA

December 8, 2025

We will begin to explore historical fiction. Students will use their readers to identify essential elements, make a plan and write it a story. Along with writing their own historical fiction, students will be continuing to practice root words, verb tense and will begin identifying the four different types of sentences: interrogative, exclamatory, declarative, and imperative.

Remember to study for the spelling test on Dec. 12th

Important Info:

Dec. 8- 12 : Holiday Shop

Dec. 22-Jan.2: Winter Break

Jan. 23: Half Day & end of MP2

Jan. 26-30:
NWEA Testing

Math

We are continuing with long division this week. Please look over the study guide for our **Quiz on Friday, Dec. 12th** and practice as needed. This can even be 5 minutes or 1 problem a night!

Monday: Lesson 3.4

Tuesday: Lesson 3.5

Wednesday: Lesson 3.6

Thursday: Lesson 3.8

Friday: QQ 3.1

Holiday Shop

Our classes have the following shopping days from 8:35-9:30.

Monday: Becker

Tuesday: Bender

Wednesday: Winowiecki

Thursday: Bach

Friday: Rector

SCIENCE

We will continue our study of waves by learning about how we hear and all about light waves. Our final assessment has been scheduled for **Tuesday, December 16**. Please encourage your student to utilize the study guide to help prepare for the test.

During the month of December, our fourth graders will be teaming up with a group of Mrs. Olenchek's high school students to create a Science Fair project. All fourth graders will have the opportunity to present their science fair project at the Regional Science and Engineering Fair in Flint, Michigan on February 2, 2026. **The Flint Regional Science & Engineering Fair is one of three recognized "regional" fairs in Michigan.**

This is **not** a requirement, but an additional opportunity for students interested in participating. As this is an out-of-school event, families would be required to attend along with their child.

****transportation paid for by FRSEF - all other costs must be covered by participant**

Science Fair Registration Deadline: January 26, 2025

Science Fair Date: February 2, 2026
