

Career Tech Information - The link is now live!

Career Tech applications are now open for Kingsley High School! It is open for both 10th and 11th grade students. The application is a google form, where once you hit submit, it is time stamped with your name. In time stamped order, your name will be added to the Career Tech list on a first come, first serve basis with seniors already in the program getting first priority.

*ALL STUDENTS WHO APPLY TO CAREER TECH MUST BE ON TRACK TO GRADUATE. (THIS MEANS STARTING THE 25-26 SCHOOL YEAR WITH AT LEAST 10 CREDITS FOR SOPHOMORES AND 17 CREDITS FOR JUNIORS) You can check this information on your powerschool. Please note, you can and should still sign up for Career Tech as long as you plan on taking and passing summer school credit recovery courses.

1) After speaking with your parents and getting permission, you both can fill out the form found here: <https://www.northwested.org/>

2) You are looking for a small blue square in the top left corner that says: 2025-26 Enrollment is now open - Career Tech - Apply Today!

3) Then you will complete the North Ed Career Tech Pre-Registration Application * NEW! Within a week of completing, check with Mrs. Nolf to be sure you are showing up on her list.

4) There are a few programs as well that have higher academic requirements and have additional applications. (Writer's Studio, Teacher Academy, and Engineering Academy) Please look for these additional links if you requested one of these programs as your first choice.

Remember: There are only 4 guaranteed spots per program, however you can also choose a 2nd choice on your application as well. We do keep a waitlist and odds are good that a student will get into one of the two programs.

Scheduling: Prior to signing up for scheduling in March, you should meet with me to see where you are on the list and if you should add Career Tech to your schedule. I can also help you figure out what courses you can possibly not schedule for at Kingsley (Such as English 3 or Algebra 2). I will need to approve this with a signature!

Career Tech applications close in mid-April so you must know prior to then if you'd like to attend.

Lastly, any student that turns in a form prior to the Kingsley 5pm start time on Feb. 6th, will forfeit their original time stamp and the student will automatically be given a Friday, Feb. 7 time stamp. This is to keep the application process fair for ALL students and to ensure students have conversations with their parents prior to submission.
