**Board Round Table –**

Dr. Keith Smith – The Governor announced the expansion of outdoor venues effective October 5, 2020, Dr. Smith recommends keeping the distribution of the original 500 and then offering the remainder to students and public letting Mr. Moran and Mr. Miggenburg plan a release for tickets.

Mr. Tony Temple – It is time to revisit installation of fencing around the football field, according to the language of current grants it appears that grant funds could be appropriated for this project.

Dr. Keith Smith – Negotiations are ongoing with the KFT. If all students were to be moved to online due to COVID or if the number of online students were to drop to a low enough % than any negotiated wages would go away. At this time, we are still paying teachers an hourly wage. Board of Education discussion resulted in an agreement to initiate a maximum on weekly hours to 2 per staff member effective October 1, 2020.

Mrs. Kelly Saxton – Thank you to Patti Gleason for your years to the district and good luck to Sheelah.

Mr. Clay Skrzypczak – will be out of town October 1 – October 5, 2020.

Mr. Tony Temple – Elections are approaching, please encourage everyone to vote. Thank you Patti Gleason for your years of service to Kingsley Area Schools, you will be missed.
