

7th Grade Weekly Update

Dear Parents and Guardians,

As we move into week 24, we have a lot to look forward to! Thank you for being supportive of students and helping to encourage STAG behavior!

ELA

This week students completed their last independent (textbook) summary and analysis questions. We took four days to work through these assignments. If incomplete, students should be finishing those assignments as homework.

Next week, we will begin our final essay of the year: argumentative writing.

Math

Students have started Chapter 4 – Proportionality. This chapter focuses on similar figures, scale drawings, graphing linear relationships, and observing the characteristics of different types of mathematical relationships.

Important Reminder

Homework is the best way for students to practice applying what we do in class independently. Hopefully you are seeing a little practice coming home. Thank you for your continued support!

Accelerated Math

Students have just completed Chapter 5 – Percents and Probability and will now begin our Algebra unit.

Important Reminder

Homework is the best way for students to practice applying what we do in class independently. Hopefully you are seeing a little practice coming home. Thank you for your continued support!

Science

In Science we are exploring speed and its relationship to kinetic energy.

World History

My prize basket is running low and I am looking for donations of individually wrapped candies. Jolly Ranchers, Smarties, and Starbust are some of their favorites. If you are able, please drop off a bag during conferences or send them to school with your child.

Electives

Sustainable Science: This week we kept working on our sewing projects and we created naan bread, hummus, grilled cheese, and pancakes. Next week we are going to make cookies and cheesy biscuits. As always, let me know if you have any questions!

PE: Speed Training after school for all Elementary and Middle School Students in the Big Gym on WEDNESDAYS from 3:15 - 3:45 PM.

Spanish: We took a quiz on Telling Time on Thursday, February 26th. Please check your student's grades and have them retake their quiz if needed! Our next unit is on the countries and capitals of South America. They have paper maps to study and they can study using the websites below.

Countries: www.geoguessr.com/vgp/3016

Capitals: www.geoguessr.com/vgp/3017

Art:

Choir: 7/8th grade and high school choir did a fantastic job at festival on Monday, scoring the highest possible, 1 for KMS!

Band: The MS District Band festival will take place Saturday, Feb. 28 at the Elk Rapids HS auditorium. Please see the flyer attached for additional information.

Updates

- **Hygiene:** Please make sure that your child is taking a shower, putting on clean clothes, and wearing deodorant EVERY DAY. If your child has PE or Body Mechanics, then an extra stick of deodorant may be necessary to keep in their gym locker or backpack. Now that the windows are closed for the winter, our rooms are unbearably stinky, and it makes for an uncomfortable learning environment. Thanks for your support.
- **PTO Updates:**

 **Fun & Games Night: Friday, March 20, 2026– 6-8pm** Students are invited to enjoy board games, dodgeball, and line dancing.  Free admission |  Snacks available for purchase

 Fun & Games Night [volunteer sign up](#)

Thank you for supporting our PTO and helping make these events possible!
