

Fourth Grade News

ELA

Poetry has come to an end and we are starting a new unit; Geology. We will begin learning areas of study about the earth and ask the types of questions geologists ask about the earth. We will be examining and paraphrasing informational text about earth's layers, plate tectonics, earthquakes and tsunamis.

New spelling Lists will be coming home this week!

Math

This week we are continuing our work with multi-step word problems and order of operations. Please continue to review multiplication facts and build fluency.

Homework:

Monday- 4.7

Tuesday- 4.8

Wednesday- 4.9

Thursday- Quick Quiz 4.3

Friday- Review/Reteach

SOCIAL STUDIES

This week in Social Studies we continue to learn about The Northeast Region. Students will learn about the many events that occurred in the Northeast Region, leading to the formation of the United States, such as the Declaration of Independence and the Constitution. We learn about several important people from colonies, such as Samuel Adams and Benjamin Franklin. Later in the week students will be learning about immigrants and how growing industries brought change to the Northeast.

February 2, 2026

Important Info:

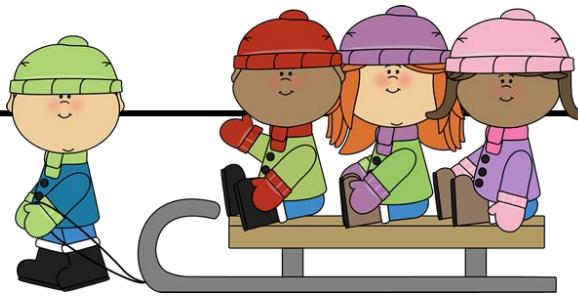

- **February 12:** Valentine's and Sledding Party
- **February 13-16:** No School - Mid Winter Break
- **February 24-25:** Parent- Teacher Conferences
- **March 27th:** End of MP3
- **March 30- April 6:** Spring Break

Valentine's Day and Sledding Party!

Feb. 12th

- Please be on the lookout for a special Valentine's Day message!
- Fourth grade will be walking to the football field for a sledding adventure.

Please see the second page of the newsletter for more information!

Valentine's Day

The 4th grade will be having a Valentine's Celebration on Thursday, February 12th. In addition to exchanging Valentines, we will also be taking a grade-level outing to go sledding at the football field (**weather permitting**)! This is always a favorite day for staff and students alike.

Students are welcome (and encouraged) to bring their own sleds from home, but they will need to be dropped off and picked up by a parent or family member, as they are not allowed on the bus. If bringing a sled, please label it with your child's name and leave it outside by the 4th grade doors on the morning of the 12th.

We do have some sleds available here at school for those who are not able to bring their own. We're also really good at sharing. Plus, who doesn't love seeing how many people you can line up on a sled before heading down the hill?!
