

7th Grade Weekly Update

Dear Parents and Guardians,

As we move into week 28, we have a lot to look forward to! Thank you for being supportive of students and helping to encourage STAG behavior!

ELA

Students have finished their first two argumentative paragraphs. Next week, we will work toward wrapping up the essay and begin to move into our final unit of the year!

Math

Students are continuing their work in Chapter 4 on Proportionality. We will have a quiz on Monday focused on identifying proportional relationships from tables and graphs. A Quiz Practice worksheet has been assigned for homework this weekend to help students prepare.

Accelerated Math

Students have wrapped up Unit 6 on Algebraic Expressions and will take their unit test on Tuesday.

Science

In Science, we have started our unit on Force and Motion. We are finishing up learning about kinetic energy!

World History

We are finishing up our lessons on Medieval Europe. Students should be wrapping up their original "Reader's Theater."

Electives

Sustainable Science: Students did a great job at making Rice Krispy Treats and No Bake Cookies this week. Next week we will try our hand at Granola Bars and another sweet treat. Sewing is going great, many students have started new projects. Some are finishing up their cross stitch and some are working on other projects such as, leather wallets, circuit press t-shirts, crochet stuffed animals, and macramé. As always, please feel free to reach out if you have any questions.

PE: Speed Training after school for all Elementary and Middle School Students in the Big Gym on WEDNESDAYS from 3:15 - 3:45 PM.

Spanish: We took a quiz on South American capitals on March 10th. If your student needs to retake that quiz, make sure they see me. Our next unit is on the countries and capitals of Central America. They will have a quiz on Tuesday, March 24th.

Art: The Crooked Tree Youth Art Reception and Awards Ceremony was moved to Sunday, March 22, 1–3 PM at the same location because of the weather situation last week. The updated flyer is attached if needed. Hoping to see lots of you Kingsley Art supporters at this event! Good luck to all the kids who are participating!

Updates

- **Quarterly Celebration: We will be celebrating students who have been showing STAG expectations over the third quarter. Those students will be going to Center Ice in Traverse City on Tuesday, April 7. This is the day that we come back from Spring Break! Permission slips are due on Wednesday, March 25 and the payment is SEVEN STAG Tags (this number was reduced from 8 due to the snow days).**
- **Parent Volunteers: We are looking for a couple of parent volunteers to chaperone our skating trip. This will be approximately from 8:30 to 11:30 at Center Ice. Please send me an email if you are interested in chaperoning!**
- **Hygiene: Please make sure that your child is taking a shower, putting on clean clothes, and wearing deodorant EVERY DAY. If your child has PE or Body Mechanics, then an extra stick of deodorant may be necessary to keep in their gym locker or backpack. Now that the windows are closed for the winter, our rooms are unbearably stinky, and it makes for an uncomfortable learning environment. Thanks for your support.**

Other Dates to Know:

March 27-End of 3rd MP
