

Request for Proposal

Kingsley Area Schools - Network Wiring for Rodes Field

Kingsley Area Schools is accepting proposals for network cabling for Rodes Field and outbuildings. The purpose of this proposal is to prepare Rodes Field for security cameras and other network uses.

Proposal #1

Bid Specifications

- A) Install at least six strands of single mode fiber from The Kingsley Elementary Building located at 311 Clark Street to the Rodes Field press box located at 775 Clark Street, including:
 - a) Industry standard terminations (type LC or SC preferred)
 - b) A patch panel in an existing rack at the elementary school
 - c) Bidder to provide small rack and patch panel at the pressbox

- B) Install copper Ethernet cabling that is Category 6 or better underground with appropriate physical protections and industry standard terminations from the pressbox to the following outbuildings:
 - a) Pole barn
 - b) Pole barn
 - c) Concession pavilion
 - d) Ticket booth

- C) Install copper Ethernet cabling that is Category 6 or better with industry standard terminations within the press box from the fiber termination location to:
 - a) The north end of the roof for a security camera
 - b) The south end of the roof for a security camera
 - c) The interior room at the north end of the top of the pressbox
 - d) The interior room at the south end of the pressbox

- D) The district will provide all network switch hardware.

Proposal #2

Bid Specifications

- A) Install at least six strands of single mode fiber from The Kingsley Middle School Building located at 403 Blair Street to Rodes Field press box located at 775 Clark Street, including:
 - a) Industry standard terminations (type LC or SC preferred)
 - b) A patch panel in an existing rack at the elementary school
 - c) Bidder to provide small rack and patch panel at the pressbox

- B) Install copper Ethernet cabling that is Category 6 or better underground with appropriate physical protections and industry standard terminations from the pressbox to the following outbuildings:
 - a) Pole barn
 - b) Pole barn
 - c) Concession pavilion
 - d) Ticket booth

- C) Install copper Ethernet cabling that is Category 6 or better with industry standard terminations within the pressbox from the fiber termination location to:
 - a) The north end of the roof for a security camera
 - b) The south end of the roof for a security camera
 - c) The interior room at the north end of the top of the pressbox
 - d) The interior room at the south end of the pressbox

- D) The district will provide all network switch hardware.

Criteria

Bid responses will be evaluated based on the following criteria:

- 1) promptness of installation timeline
- 2) The overall cost of the project
- 3) completeness of bid proposal
- 4) history of success with similar local projects

All sealed proposals are to be submitted to Superintendent Dr. Keith Smith, Central Office, 402 Fenton St., Kingsley, MI 49649. Specifications may be examined and/or picked up at the above address or obtained via the Kingsley Area Schools website, www.kingsleyschools.org. From our main web page, under Spotlights, click on “Notice to bidders-Network Wiring for Rodes Field RFP”.

All proposals must be received by noon on March 11, 2022. All proposals must include a minimum of three references with contact information. Late entries will not be accepted

All bidders – A walkthrough of all sites will be conducted on March 3, 2022 at 1:00pm. Bidders will meet at the district central office located at 402 Fenton St., Kingsley, MI 49649. Questions about the projects may be asked at that time and bidders will be referred to:

Kevin Kobylski, Computer Technician

Note:

Bids may be awarded or rejected in whole or item-by-item, with rights being maintained to make joint awards if in the best interest of the district.

The district reserves the right to seek additional information about the solution being offered after the bids are received. The school board reserves the right to waive irregularities, reject any or all bids, and/or award the contract to other than the proposal(s) submitting the lowest bid. Kingsley Area Schools reserves the right to accept or reject, in whole or in part, any or all proposals with or without cause.
